Regular Papers Submission

Authors should electronically submit full paper in MS WORD document, 5 pages (two columns font 10 including pictures and diagrams), to EMAIL: apbitms@gmail.com. The first page of the paper must contain the titles, names and affiliations of the authors, email address, and four keywords/phrases. Please identify the corresponding author giving full contact information including email address. Please follow the conference FORMAT.

Invited Sessions

The Programme Committee also solicits proposals for invited sessions within the technical scope of the conference. Each proposal for an invited session should describe the theme and scope of the proposed session and how the papers form a cohesive set that complement the session topic. One session typically contains six (6) papers. The proposal must contain the title and the theme of the session and a list of paper titles, names and email addresses of the corresponding authors. Session proposals must be submitted to apbtims@gmail.com. Invited sessions are addressed to Jackie ML Tseng.

About Dalian, China

Dalian, China is a very popular destination among Chinese tourists and foreign visitors, especially from Japan, South Korea and Russia. Its mild climate and multiple beaches as well as its importance in the modern history of China make it an especially nice place to visit. Some of the most famous beaches are Tiger beach, Xinghai beach, Jinshitan beach and Fujiazhuang beach. It is one of the three Best Tourism Cities (2006), along with Hangzhou and Chengdu, recognized by the National Tourism Administration.

**Conference Venue:
International Conference Center,
Dalian University of Technology, China)**

Proceedings and CD Rom

All papers submitted in the conference will undergo rigid peer review process. Only papers that will pass the review process will be accepted and published in the conference proceedings and book of abstracts. Electronics copy and hardcopy (for additional fee) of the proceedings will be provided at the conference.

Publishers

Excellent papers accepted and presented in this conference will be reviewed and considered in the following journals: Journal of Philippine Institute of Industrial Engineers; Journal of Asia Pacific Business Innovation and Technology Management; Other journals.
